

Faithful Companions Dog Rescue Adoption Process

1. A new dog is posted
2. You and many others apply for the dog
3. We start with the first application and check your references and call your vet
4. We approve or disapprove you and notify you. Once application has been processed, we delete it.
5. If approved, we email you an invoice and ask that to be paid within 24 hours
6. Once the invoice is paid, the dog is removed from our website, rescueme.org and adoptapet.com
7. We email you the transport pickup time and location
